Product Information

Listed: UL & cUL listed for interior and exterior wet locations. IP65 rated.

Construction: Marine grade, corrosion resistant, heavy walled, high pressure die cast aluminum construction. Faceplate is 316 stainless steel. Must order well housing.

Gasket: Extruded silicone to provide maximum protection against contaminants.

Fasteners: Captive and recessed stainless steel, tamper resistant hex socket screws.

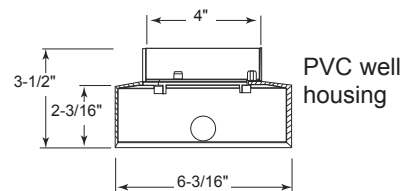

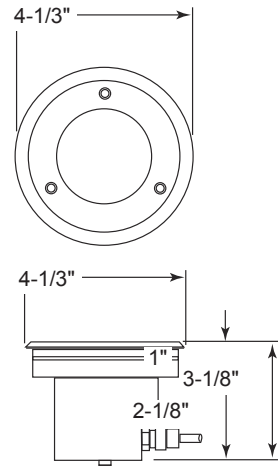

Diffuser: Lens is 3/8" thick tempered, clear (FCD43P) or opal (FCD43I) heat resistant.

LED: Integral inverter and driver potted with a variable input of voltage from 120V to 240V. Consult factory for color changing or multi-color combinations and other voltage options.

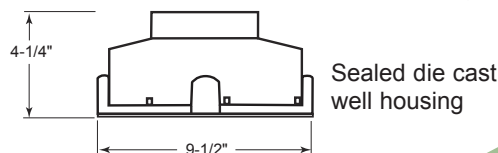

Finish: Stainless steel brushed finish.

Mounting: Concrete pour with PWH accessory.

Self-Flange
